

Fall 2012

MISSION STATEMENT

Reflect the love of Jesus by bringing mobility and dignity to those in developing countries who are unable to walk and provide the opportunity for meaningful work for volunteers.

What is PET?

PET is a faith-based, volunteer driven, non-profit organization that is making and distributing the PET (Personal Energy Transportation) vehicle.

The PET Design:

The PET has been extensively field tested and is designed to be:

Sturdy, in order to provide services for the rider for many years

Simple, to be easily maintained in outpost conditions

Low-cost, so the donor dollar can serve as many as possible for \$250 each

PET IA-Leighton in the news:

* Eric Hansen, from KCCI, did a story covering the Leighton PET operation, that aired on TV-8 July 27. That story can be seen on You Tube at the www.petia.org website.

* Kyle Munson, from the Des Moines Register, featured PET in the Metro & Iowa News Section June 24. As Kyle was researching the transformations of small town, closed schools in our state, he was contacted by Leighton's City Clerk, who informed him about how Leighton Elementary School has been converted into a workshop assembling PETs.

The First Annual Appreciation Dinner was held on July 21 at the Ebenezer Ref. Church in Leighton. Volunteers celebrated how God had brought them all together to make mobility possible for God's people in developing countries a world away from Leighton, Iowa.

Parts makers in their own shops, workers in Bill's wood shop and the PET shop have worked together to give mobility around the world.

On September 24, 2012, the faithful volunteers of PET IA-Leighton are excited to have placed

#300
