

MOBILITY PROJECT

FALL 2016

SPECIAL POINTS OF INTEREST:

- ◆ New Name /New Logo
Same mission ...
clearer name!
- ◆ Mobility Cart #2324
was packed by end of
October.
- ◆ Shop production is
11 carts per week
- ◆ God is clearly
blessing the
Mobility Project!

Board Members attended the Annual Conference in DeMotte, Indiana. Speakers challenged us to renew our focus, build the best cart possible and develop stronger relationships with the distribution partners so we can bring mobility to many.

Every Mobility cart has a story. Each cart impacts an individual, their families and their communities. Those stories are why we are so passionate about the Mobility Project.

NO MORE CRAWLING !

Perez Akinyi from Kenya says that she is very happy and can move with ease on her cart.

It has changed her life in a very positive way as she can get to her business place on time and carry out domestic duties.

TO GOD BE THE GLORY

In June, a group went to Hinche, Haiti and documented how recipients were getting along with their carts they received in Feb 2016. Those recipients had formed an association for the disabled. The gentleman in this photo is Augusto Claudis who received his cart in June. He is the president of the association. He had lost the use of his legs in the earthquake of 2010.

This cart was personally delivered to this individual in Sierra Leone from a tender hearted donor. The boys are praying a prayer of blessing over this recipient.

GRATEFUL

Second CRC funded, cut the wood, built and painted the boxes, sewed seat backs, assembled and packed 40 carts on June 3.

WHAT AN INCREDIBLE DAY!

JOYFUL

Our ministry continues to thrive because of donors like you who, along with our faithful volunteers, are the life blood of Mobility Worldwide.
