Lwando is 27 years old and lives in Zambia. He is only in 7th grade in school. He has a problem with his health as he does not grow according to his age. He has never been able to attend school regularly because of his disability. With the gift of a PET he says "my life is beginning to change...and I promise you I will do better as I can come to school using this wonderful cart."

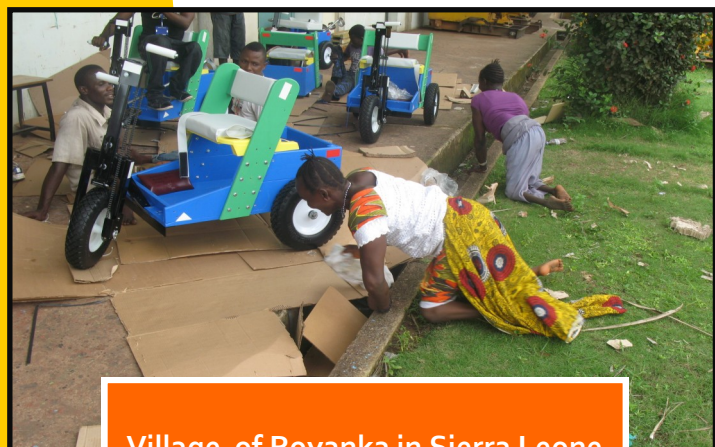

Ibrahim Taqi is a blacksmith from Sierra Leone

He is now HAPPY as he can bring his cutlasses to Lunsar to sell

YOUR gifts change lives!

Village of Royanka in Sierra Leone

Two brave ladies crawled 3 miles to receive a PET

After raising the funds at their annual auction and other fundraisers, Second CRC of Pella assembled and boxed 40 carts.

Thank you!

Members of all ages of Peoria CRC funded and assembled 25 carts .

Thank you!

We celebrate the life of Keith Willson who was a faithful volunteer painter in the PET Shop.

PET IA-Leighton expresses sympathy to the Willson family

Several young couples from Calvary CRC gave of their time and resources to build 16 carts.

Thank you!

Because of your generosity over 1250 carts have been produced to provide the gift of mobility.

AS PET IA-LEIGHTON CONTINUES, WE ASK FOR YOUR PRAYERS AND FINANCIAL SUPPORT
