PET IA- Leighton gratefully acknowledges:

- *Pella Community Foundation Grant to purchase a commercial sewing machine to stitch the re-designed seats.*
- *Sea to Sea 2013 Bike Trip Grant to purchase a Grizzly Mill that machines a part for the frame.*
- *Vermeer Corporation for steel and parts, painting parts, and the continuing resource for acquiring steel.*
- *Parts Makers and volunteers.*

New Partners:

- *LDJ Manufacturing Inc. for painting steel parts.*
- *De Jong Manufacturing for steel parts.*
- *Skunk River Block & Pallet for wood material for packing.*

Following the words of Matthew 25.40 we serve God most when we serve others.

The 900th PET reflects the contributions of many volunteers and financial supporters.

NOTE the new design: PET recipients will benefit from the adjustable positioning of the seat. Additional padding will provide pressure relief and comfort.

We celebrate the lives of Wilford Laverman who was a faithful volunteer in the wood shop in Leighton and Ronald Jansen who was a Parts Maker for PETs. PET IA-Leighton expresses sympathy to the Laverman family and the Jansen family.
