In April, four of us from Columbia (Barbara, myself, Elija, and Sandy) went to Kenya for a Mobility Cart distribution. We worked with the Kenya Relief organization and had the wonderful help of two faculty and five physical therapy students from Alabama, as well as two women from Arkansas. We distributed 180 carts over two days in the western village of Migori. The picture shows how some people got their carts home. Among was important to the recipients that the people are willing to put in a lot of effort due to the hope and the joy of being lifted off the ground. All of your volunteers & donors at Mobility Worldwide MO – Columbia make things like this possible. Come visit us at a share fest across MO.

I would like to give you an update about the wheelchair mission that we had on July 7th and 8th in Hmantabin, Burma. We gave our 13 adult wheelchairs. The recipients were very happy to receive the wheelchairs and they emphasized how useful it would be. We plan to do another mission after rainy season.

Thank you very much for your wonderful support! Kind Regards, Kabaw Wah |
