

FALL 2025 NEWSLETTER

Do you ever wonder if your donation makes a difference? Not just a temporary difference, but a transformational difference. A difference for a child, or a family, or a difference for a community. In this newsletter the stories and photos show how your donation to Mobility Worldwide is making a difference.

MEET THREE MOBILITY CART RECIPIENTS

Adama— from a young age she faced mobility challenges, relying on crutches and spending a large part of her income for transportation just to reach her work as a hairdresser.

Her Mobility Cart, built by volunteers at Mobility Worldwide- Leighton IA, has changed everything. Today, Adama travels independently and has the freedom to grow her business without having to worry about how she will get to work.

Her smile says it all!

“Thank you MW Leighton IA for making this cart!”

Story and photo by C.J. Stanfill , Executive Director of Mobility Worldwide

15 mobility carts were distributed to physically challenged individuals in Kenema District, Eastern Sierra Leone. This distribution was filled with emotional stories from recipients, highlighting the impact a mobility cart will have in their lives.

2025 SHIPMENTS

April 1—229 carts to Mobility Worldwide affiliate
in Sierra Leone
August 29—229 carts to the Democratic Republic of
Congo in Africa
September 3 –229 carts to Cameroon in Africa

Volunteers loading shipping
container August 29th

Volunteers loading shipping
container September 3.

Your contributions of Individual Donations, RMD Designations, Legacy gifts, Memorials, and Grants allow Mobility Worldwide to purchase materials to construct the carts. Volunteers build and load them for shipping. Distribution partners give them to those in need.

Each cart brings greater independence, dignity and opportunity to the individual who receives it.

Your donations make all this happen!

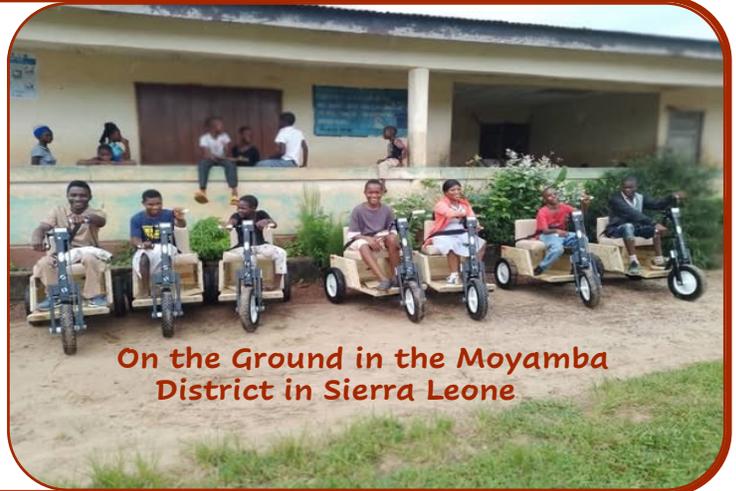

Seven students who cannot walk received their mobility carts on August 6, 2025. Now they can go to school even when it's muddy and raining without having to crawl. Carts were made at the Leighton's Mobility shop in the USA.

Technicians at Mobility in Sierra Leone assembled them.

Volunteers search in remote villages for disabled people who need mobility equipment.

They follow up each year and often repair chains and seats and replace tires.

On the Ground in the Moyamba District in Sierra Leone

Mobility Worldwide covets your prayers and support. The need is great. We are planning to build 1000 carts this year.
