Brazos Valley Day of Giving Results!

On Tuesday, October 15th, 2024 we had our most successful day of giving yet! We raised a total of \$23,309.64. We won \$1,000 for being the non-profit with the most donations between 4 pm & 5 pm. In the past, we've averaged 25 online donations but this year we broke the record with 85 donations, thanks in large part to GENTS, our partner organization at TAMU.

Thank you to all our supporters!

Mexico 2024 Distribution

Our partner from Aztec Ministries sent pictures of some of the recipients and their carts. Since we partnered with the San Antonio shop, the shipment included some carts for children, pull-carts, and a few plastic carts. These blue plastic carts are being tested to see how they work in the tropical climate. All the recipients were thrilled with their new rides!

Thank you to our corporate sponsors!

Volunteer Appreciation

On Thursday, January 19th we celebrated our volunteers and had our first board meeting of the year. At the board meeting we welcomed our newest board member, Claude Cash is a member of First Methodist Church Bryan and comes to us with a variety of skills.

Growing and Learning

Last Spring MWBV worked with 180 Degrees Consulting, an organization at Texas A&M University that collaborates with non-profit organizations in the community. Free of charge, this student-led organization studied Mobility Worldwide Brazos Valley and made suggestions for improving our volunteer pool, along with marketing ideas. We've put into practice all that we could, and have re-applied to have them work with us again to implement more in the area of marketing. This is truly a great opportunity for our organization. We look forward to growing and learning with these aggies!

Special Thank you to...

Chapelwood United Methodist Church hosted a showcase event for all the non-profits they support. MWBV was represented and received a blessing. We thank their congregation and grant committee for their continued support.
