TAMU GENTS Distribute Carts in Zambia!

In August 2025, Nolan Daugherty and Stephen Mucher represented both GENTS and MWBV as they traveled to Zambia for a distribution of carts. Thanks to the generosity of Walter Hays and Family, these two young men were recipients of a scholarship from the JoAnn Shore Fund, which covered their travel expenses in Zambia. They got to see firsthand the impact our carts have on the lives of people with mobility issues. Here are several pictures of the team in action! Many thanks to our shop volunteers, who also supported the Gents' travel. It was a wonderful opportunity to see the recipients of our carts and the impact these provide.

Thank you to our corporate sponsors!
