Brazos Valley Gives

Mobility Worldwide Brazos Valley participated in the 7th annual Day of Giving.

We were very fortunate to have many generous contributors give during the entire campaign. In addition, 134 donors participated during the special hour, so we were able to win an extra \$1,000 for having the most donors during 5-6pm! **Thank you to everyone who participated during the entire giving campaign.**

This was a very successful event. We managed to raise \$25,000, which will go a long way to making cart production and distribution possible.

Several GENTs are preparing wood for building carts.

TAMU GENTS Organize 5k & Cart Race Fundraiser!

Besides building at the shop, this fall semester has been a busy one for GENTs! These amazing young men coordinated donations with their friends and families, enabling us to qualify for the extra prize money during Brazos Valley Gives 2025. A group of them participated in Texas A&M Chi Omega Songfest, a musical extravaganza where various organizations pair up to dance in a competition. The winning organizations get cash prizes to benefit their respective philanthropic causes. That same weekend GENTs hosted a 5K and Cart Relays at Wolf Pen Creek Park in College Station, TX. Additionally, a couple of GENTs presented to the Bryan Noon Lions and College Station Noon Lions Clubs, helping to spread our message and mission.

We are so thankful for all of the support GENTs gives Mobility Worldwide Brazos Valley! Between the fundraising and the hands-on assistance, we are producing many carts with their help.

Several GENTs are finishing the cart box.

Several GENTs are assembling carts for the cart relay.

The group of GENTs, their friends, and family gathered at the start line for the 5K at Wolf Pen Creek Park in College Station.

Part of the course in the cart relay was uphill!

After the event, all carts were disassembled and packed for shipping!

Thank you to our corporate sponsors!

First Methodist Church in Bryan, TX

They make sending this newsletter possible, as well as allowing the container to be housed in the church parking lot while we load carts. We anticipate having the next shipment ready for shipment in early 2026. The destination still needs to be confirmed, but we are eager to have the carts benefit many individuals in need. Stay tuned!

We appreciate your support!
